

BERNESE JURA COUNCIL

This file contains election results for the Bernese Jura Council (*Conseil du Jura bernois*) in 2006 and 2010. The Bernese Jura Council is a regional parliament within Canton Bern established in 2006.

The total votes presented here for the Jura bernois are weighted by the valid votes cast in the constituency (*Chiffre de pondération*). Voters may cast as many votes for candidates as there are mandates in the constituency, and voters are permitted to vote for candidates of different parties (*panachage*). The number of mandates per constituency varies, so weighting is necessary to render the results comparable across constituencies.

The Bernese Jura Council also allows *apparentment* (cartels) between lists. Below the variable description, apparentments within each constituency for each year are listed.
